GREENBUILD EXPO

VEHICLES THAT FORM PART OF AN EXHIBITION STAND

In order to bring a vehicle into the exhibition hall and display it as part of an exhibition stand the exhibiting company agrees to the following requirements which have been set by the Venue and the Show Organisers:

- 1) Vehicles must not contain more petroleum spirit than is necessary to drive them onto the stand.
- 2) All vehicles are to be provided with a lockable filler cap to the fuel tank(s) which must remain locked at all times.
- 3) Batteries are to be removed from vehicles or disconnected by removing the earth strap and taping up the terminal.
- 4) Appropriate emergency fire fighting equipment capable of dealing with petroleum fires must be provided on each display stand.
- 5) No containers of petroleum spirit are to be permitted inside the building.
